The Association shall further have the right to install or construct capital Improvements on the Common Property. The Association may at any time, and from time to time reconstruct, replace or refinish any Improvement or portion thereof upon the Common Property; replace destroyed trees or other vegetation and plant trees, shrubs and ground cover upon any portion of the Common Property. The Association may employ personnel necessary for the effective operation and maintenance of the Common Property, including the employment of legal, management and accounting services. The Association shall make available for inspection by any prospective purchaser of a Condominium, any Owner of a Condominium, and the Beneficiaries, insurers and guarantors of the first Mortgage on any Condominium, current copies of the Declaration, the Articles, the Bylaws, the Rules and Regulations and all other books, records, and financial statements of the Association.

2.3. Membership.
Every Owner, upon becoming the Owner of a Condominium, shall automatically become a Member of the Association, and shall remain a Member thereof until such time as his ownership ceases for any reason, at which time his Membership in the Association shall automatically cease. Ownership of a Condominium shall be the sole qualification for Membership in the Association. All Memberships shall be appurtenant to the Condominium conveyed, and with the exception of Declarant, a Person shall be deemed an Owner of a Condominium only upon Recordation of a deed conveying the Condominium to such Person. Except as may otherwise be provided herein, the rights, duties, privileges and obligations of all Members of the Association shall be provided in the Restrictions.
2.4. Transfer.

The Membership held by any Owner shall not be transferred, pledged or alienated in any way, except upon the sale or encumbrance of such Owner's Condominium, and then only to the purchaser or Beneficiary of such Condominium. A prohibited transfer is void, and will not be reflected upon the books and records of the Association. A Member who has sold his Condominium to a contract purchaser under an agreement to purchase shall be entitled to delegate to the contract purchaser his Membership rights in the Association. The delegation shall be in writing and shall be delivered to the Board before the contract purchaser may vote. However, the contract seller shall remain liable for all charges and assessments attributable to his Condominium until fee title to the Condominium sold is transferred, as further provided in Section 5.1 of this Declaration. If the Owner of any Condominium fails or refuses to transfer the Membership registered in his name to the purchaser of the Condominium upon transfer of fee title thereto, the Board of Directors shall have the right to record the transfer upon the books of the Association. The Association may levy a reasonable transfer fee against a new Owner and his Condominiums (which fee shall be added to the Annual Assessment chargeable to such new Owner) to reimburse the Association for the administrative cost of transferring the membership to the new Owner on the records of the Association provided such fee does not exceed the Association's actual cost involved in changing its records of ownership.

2.5. Voting Rights.

The Association shall have one (1) class of voting Membership. At any meeting of the Association, each Owner shall be entitled to cast no more than one (1) vote for each Condominium owned as shown on the Condominium Plan. Where there is more than one (1) record Owner of a Condominium ("co-owners"), all of those co-owners shall be Members and may attend any meeting of the Association, but only one (1) of those co-owners shall be entitled to exercise the single vote to which the Condominium is entitled. Co-owners owning the majority interests in a Condominium shall from time to time designate in writing one of their number to vote. Fractional votes shall not be allowed, and the vote for each Condominium shall be exercised, if at all, as a unit. Where no voting co-owner is designated or if the designation has been revoked, the vote for the Condominium shall be exercised as the co-owners owning the majority interests in the Condominium mutually agree. Unless the Board receives a written objection in advance from a co-owner, it shall be conclusively presumed that the corresponding voting co-owner is acting with the consent of his co-owners. No vote shall be cast for any Condominium if the co-owners present in person or by proxy owning the majority interests in such Condominium cannot agree to said vote or other action. The
nonvoting co-owner or co-owners shall be jointly and severally responsible for all of the obligations imposed upon the jointly-owned Condominium and shall be entitled to all other benefits of ownership. All agreements and determinations lawfully made by the Association in accordance with the voting percentages established herein, or in the Bylaws of the Association, shall be deemed to be binding on all Owners, their successors and assigns.

2.6. Repair and Maintenance by the Association. Subject to Article IX pertaining to destruction of Improvements and Article X pertaining to eminent domain, the Association shall paint, maintain, repair, replace and make necessary Improvements to the Common Property and Improvements thereon or shall contract for such maintenance, repair and replacement to assure maintenance of the Common Property and Improvements thereon in a clean, sanitary and attractive condition reasonably consistent with the level of maintenance reflected in the most current budget on file with and approved by the DRE. However, the Association shall not be responsible for or obligated to perform those items of maintenance, repair or Improvement of the Units or Exclusive Use Common Area, the maintenance of which is the responsibility of the Owners as provided in Section 2.8. Association maintenance, repairs and Improvements shall include, without limitation, the right, without obligation, to perform all corrective architectural, janitorial, landscaping and repair work within any Residence, if the Owner fails to repair it; the repair and payment for all centrally metered utilities, water charges, and mechanical and electrical equipment in or on the Common Property; payment of all charges for all utilities which serve individual Units but which are subject to a common meter; payment of all Common Expenses; the repair and maintenance of all walks and other means of ingress and egress within the Property, and if determined by the Board to be economically feasible, an inspection and preventative program for the prevention and eradication of infestation by wood destroying and other pests and organisms in the Property. If the Board adopts an inspection and preventative program for the prevention and eradication of infestation by wood destroying pests and organisms, the Association, upon reasonable notice (which shall in no event be less than fifteen (15) days nor more than thirty (30) days) to each Owner and the occupants of his Unit, may require such Owner and occupants to vacate such Unit in order to accommodate efforts by the Association to eradicate such infestation. The notice shall state the reason for the temporary relocation, the date and time of the beginning of treatment, the anticipated date and time of termination of treatment, and that the occupants will be responsible for their own accommodations during the temporary relocation. Any damage caused to a Unit by such entry by the Board or by any person authorized by the Board shall be
repaired by the Board as a Common Expense of the Association. All costs involved in maintaining the preventative program as well as repairing and replacing the Common Property and Improvements thereon when the need for such maintenance, repair or replacement is the result of wood destroying pests or organisms shall be a Common Expense subject to the restrictions applicable to Capital Improvement Assessments. All such costs of construction, maintenance, repairs and replacements for the Property shall be paid for as Common Expenses out of the Maintenance Funds as provided in this Declaration. All work performed by the Association for and on behalf of an Owner, which work is not the responsibility of the Association, shall be charged to the Owner as a Special Assessment. It shall further be the affirmative duty of the Board of Directors to require strict compliance with all provisions of this Declaration and to cause the Property to be inspected by the Architectural Committee for any violation thereof. The cost of any maintenance, repairs or replacement by the Association arising out of, or caused by, the act of an Owner or such Owner's Family, tenants, guests, invitees, or agents shall, after Notice and Hearing, be levied by the Board as a Special Assessment against such Owner.

2.7. Unsegregated Real Property Taxes.
To the extent not assessed or paid by the Owners, the Association shall pay all real and personal property taxes and assessments levied upon any portion of the Property. In addition, if all of the Units in the Project are taxed under a blanket tax bill covering all of the Project each Owner shall pay his proportionate share of any installment due under the blanket tax bill to the Association at least ten (10) days prior to the delinquency date. The Association shall transmit the taxes to the appropriate tax collection agency on or before the delinquency date. Blanket taxes for the Project shall be allocated equally among the Owners and their Condominiums, based upon the total number of Units in the Project. The Association shall, at least forty-five (45) days prior to the delinquency date of any blanket tax installment, deliver to each Owner a copy of the tax bill, along with a written notice setting forth the Owner's obligation to pay his proportionate share of the tax installment and the potential additional charges to the Owner for failure to comply. The Association shall pay the taxes on behalf of any Owner who does not pay his proportionate share. The Association shall add to the Annual Assessment of a delinquent Owner the amount of any sum advanced, plus interest at the rate of ten percent (10%) per annum and any amount necessary to reimburse the Association for any penalty or late charge actually assessed in connection with the blanket tax bill, which late charge results from the failure of the delinquent Owner to make timely payment of his proportionate share of the taxes.

2.8. Repair and Maintenance by Owners.
Each Owner shall maintain, repair, replace, paint, paper, plaster, tile, finish and restore or cause to be so maintained, repaired, replaced and restored, at his sole expense, all portions of his Unit, as well as the windows, cabinets, exposed plumbing, built-in appliances, wall and floor coverings, landscaping and floor surfaces of patios and balconies and the interior surfaces of the walls, ceilings, floors, doors and permanent fixtures, in a clean, sanitary and attractive condition, in accordance with the Condominium Plan and the original construction design of the Improvements in the Project. However, no bearing walls, ceilings, floors or other structural or utility bearing portions of the buildings housing the Units shall be pierced or otherwise altered or repaired, without the prior written approval of the plans for the alteration or repair by the Architectural Committee. It shall further be the duty of each Owner, at his sole expense, to keep free from debris and maintain in a reasonably good state of repair subject to the approval of the Architectural Committee, the Exclusive Use Common Area over which an exclusive easement has been reserved for the benefit of such Owner including, without limitation, maintaining the landscaping and floor surfaces of patios and balconies. However, no Owner shall be responsible for the periodic structural repair, resurfacing, sealing, caulking, replacement or painting of his assigned Exclusive Use Common Area, so long as the painting, repair or replacement is not caused by the willful or negligent acts of the Owner or his Family, tenants or guests. It shall further be the duty of each Owner to pay when due all charges for any utility service which is separately metered to his Unit. Subject to any required approval of the Architectural Committee, each Owner shall be responsible for maintaining those portions of any heating and cooling equipment and other utilities which are located within or which exclusively serve his Unit.

2.9. Use of Agent.
The Board of Directors, on behalf of the Association, may contract with a Manager for the performance of maintenance and repair and for conducting other activities on behalf of the Association, as may be determined by the Board. The term of such contract, or any contract with Declarant for the furnishing of services to the Association, shall not exceed one (1) year, renewable by agreement of the parties for successive one-year periods, and such contract shall be terminable by the Association, acting through the Board, at any time (a) for cause upon thirty (30) days' written notice thereof, and (b) without cause or the payment of a termination fee upon ninety (90) days' written notice.
ARTICLE III

3.1. Association Easement.
The Association shall have an easement over the Common Area for performing its duties and exercising its powers described in this Declaration. The Association's obligations to maintain the Common Property shall commence on the date Annual Assessments commence on Condominiums in the Project. Until commencement of Annual Assessments on Condominiums in the Project, the Common Property shall be maintained by Declarant.

3.2. Partition.
Except as provided in this Declaration, there shall be no judicial partition of the Common Area, or any part thereof, for the term of the Project, nor shall Declarant, any Owner or any other Person acquiring any interest in any Condominium in the Project seek any such judicial partition.

3.3. Members' Easements in Common Property.
Subject to the provisions of this Declaration, every Member of the Association shall have, for himself, his Family, his tenants and guests, a nonexclusive easement of access, ingress, egress, use and enjoyment of, in, to and over the Common Property, and such easement shall be appurtenant to and shall pass with title to every Condominium in the Project.

3.4. Extent of Members' Easements.
The rights and easements of use and enjoyment of the Common Property created by this Declaration shall be subject to the Restrictions, which include, without limitation, the following:

(a) The right of the Association to construct additional Improvements on the Common Property and to alter or remove any existing Improvements on the Common Property for the benefit of the Members of the Association;

(b) The right of the Association, acting through the Board, to grant or convey easements, licenses or rights-of-way in, on or over the Common Property and to adopt reasonable Rules and Regulations for purposes not inconsistent with the intended use of the Property as a residential Condominium project;

(c) The right of the Association, acting through the Board, to reasonably restrict access to maintenance, landscaped and other such areas of the Property;
(d) Subject to the provisions of this Declaration, the right of each Owner to the exclusive use and occupancy for the purposes designated in this Declaration of the Exclusive Use Common Area assigned to his respective Unit; and

(e) The rights and reservations of Declarant as set forth in this Declaration.

3.5. Delegation of Use.
Any Member entitled to the right and easement of use and enjoyment of the Common Property may delegate, in accordance with the Bylaws, his right to use and enjoyment of the Common Property to his tenants, contract purchasers or subtenants who reside in his Condominium, subject to reasonable regulation by the Board.

3.6. Waiver of Use.
No Member may exempt himself from personal liability for Assessments duly levied by the Association, or effect the release of his Condominium from the liens and charges thereof, by waiving the use and enjoyment of the Common Property or by abandoning his Condominium.

3.7. Damage by Member.
To the extent permitted by California law, each Member shall be liable to the Association for any damage to the Common Property not fully reimbursed to the Association by insurance which may be sustained because of the negligence or willful misconduct by the Member, or any Persons deriving their right and easement of use and enjoyment of the Common Property from the Member, or his or their respective family and guests, both minor and adult. However, the Association, acting through the Board, reserves the right to determine whether any claim shall be made upon the insurance maintained by the Association, and the Association further reserves the right, after Notice and Hearing as provided in the Bylaws, to levy a Special Assessment against said Member equal to the cost of repairing such damage or the increase, if any, in insurance premiums attributable to the damage caused by the Member or the Person for whom the Member may be liable as described above. In the case of joint ownership of a Condominium, the liability of the Owners shall be joint and several, except to the extent that the Association shall have previously contracted in writing with the joint owners to the contrary. After Notice and Hearing as provided in the Bylaws, the cost of correcting the damage to the extent not reimbursed to the Association by insurance shall be a Special Assessment against such Member's Condominium, and may be enforced as provided herein.
ARTICLE IV

4.1. Members of Committee.
The Architectural Review Committee, sometimes referred to in
this Declaration as the "Architectural Committee" or the
"Committee," shall consist of at least three (3) members.
The Board shall have the right and power to appoint or remove
all of the members of the Architectural Committee. Committee
members appointed by the Board shall be from the Membership
of the Association. Board members may also serve as Commit-
tee members. The Committee may designate and appoint a repre-
sentative who is a licensed architect and a majority of the
members of said Committee may, from time to time, remove or
replace such representative. The designated representative
of the Committee may be, but need not be, a member of the
Committee or a Member of the Association.

4.2. Review of Plans and Specifications.
The Committee shall consider and act upon any and all plans
and specifications submitted for its approval under this
Declaration and perform such other duties as from time to
time shall be assigned to it by the Board, including the
inspection of construction in progress to assure its conformance
with plans approved by the Committee. No construction,
alteration, addition, modification, decoration, redecoration
or reconstruction of an Improvement in the Property shall be
commenced or maintained, until the plans and specifications
therefor showing the nature, kind, shape, height, width,
elevation, color, materials and location of the same shall
have been submitted to the Committee and approved in writing
by the Committee. Without limiting the generality of this
Article IV, the provisions of this Article IV apply to the
construction, installation, alteration and modification of
solar energy equipment, subject to the provisions of
California Civil Code Section 714. The Owner submitting the
plans ("Applicant") shall obtain a written, dated receipt for
the plans and specifications from an authorized agent of the
Committee. The Committee shall approve proposals or plans
and specifications submitted for its approval only if it deems
that the construction, alterations, or additions contemplated
thereby in the locations indicated will not be
detrimental to the appearance of the surrounding area of the
Property as a whole, that the appearance of any structure
affected thereby will be in harmony with the surrounding
structures, that the construction thereof will not detract
from the beauty, wholesomeness and attractiveness of the Com-
mon Property or the enjoyment thereof by the Members, and
that the upkeep and maintenance thereof will not become a
burden on the Association. The Committee may condition its
approval of proposals or plans and specifications for any
Improvement (1) upon the Applicant's furnishing the As-
sociation with security acceptable to the Association against

-16-

any mechanic's lien or other encumbrance which may be
Recorded against the Property as a result of such work, (2) on such changes therein as it deems appropriate, (3) upon the Applicant's agreement to grant appropriate easements to the Association for the maintenance of the Improvements, or (4) upon the Applicant's agreement to reimburse the Association for the cost of maintenance, or all of the above, and may require submission of additional plans and specifications or other information prior to approving or disapproving material submitted. The Committee shall also issue Architectural Committee Rules or guidelines setting forth specific standards of approval, procedures for the submission of plans for approval (including requiring a fee to accompany each application for approval), or any reasonable additional factors which it will take into consideration in reviewing submissions. The Committee may provide that the amount of the fee shall be uniform, or that it be determined in any other reasonable manner, such as based upon the reasonable cost of the construction, alterations or additions contemplated. The Committee may require such detail in plans and specifications submitted for its review as it deems proper, including without limitation, floor plans, site plans, drainage plans, elevation drawings and description or samples of exterior material and colors. Until receipt by the Committee of any required plans and specifications, the Committee may postpone review of any plan submitted for approval. Decisions of the Committee and the reasons therefor shall be transmitted by the Committee to the Applicant at the address set forth in the application for approval, within thirty (30) days after receipt by the Committee of all materials required by the Committee. Any application submitted pursuant to this Section 4.2 shall be deemed approved, unless written disapproval or a request for additional information or materials by the Committee shall have been transmitted to the Applicant within thirty (30) days after the date of the receipt given by the Committee for such application or additional materials.

4.3. Meetings of the Committee.
The Committee shall meet from time to time as necessary to perform its duties hereunder. The Committee may from time to time by resolution unanimously adopted in writing designate a Committee Representative (who may, but need not, be one of its members) to take any action or perform any duties for and on behalf of the Committee, except the granting of variances pursuant to Section 4.8. In the absence of such designation, the vote of a majority of the members of the Committee or the written consent of a majority of the members of the Committee taken without a meeting, shall constitute an act of the Committee.

4.4. No Waiver of Future Approvals.
The approval of the Committee of any proposals or plans and specifications or drawings for any work done or proposed or in connection with any other matter requiring the approval
and consent of the Committee, shall not be deemed to constitute a waiver of any right to withhold approval or consent to any similar proposals, plans and specifications, drawings or matter whatsoever subsequently or additionally submitted for approval or consent.

4.5. Compensation of Members. The members of the Committee shall receive no compensation for services rendered, other than reimbursement for expenses incurred by them in the performance of their duties hereunder.

4.6. Correction of Defects. Inspection of work and correction of defects therein shall proceed as follows:

(a) The Committee or its duly authorized representative may at any time inspect any improvement for which approval of plans is required under this Article IV; provided, however, that the Committee's right of inspection of improvements for which plans have been submitted and approved shall terminate sixty (60) days after the work of improvement has been completed and the respective Owner has given written notice to the Committee of such completion. The Committee's rights of inspection shall not terminate pursuant to this paragraph if plans for the work of improvement have not previously been submitted to and approved by the Committee. If, as a result of such inspection, the Committee finds that the improvement was done without obtaining approval of the plans therefor or was not done in substantial compliance with the plans approved by the Committee, it shall notify the Owner in writing of failure to comply with this Article IV within sixty (60) days from the inspection, specifying the particulars of noncompliance. The Committee shall have the authority to require the Owner to take such action as may be necessary to remedy the noncompliance.

(b) If upon the expiration of sixty (60) days from the date of such notification, the Owner shall have failed to remedy such noncompliance, the Committee shall notify the Board in writing of such failure. Upon Notice and Hearing, as provided in the Bylaws, the Board shall determine whether there is a noncompliance and, if so, the nature thereof and the estimated cost of correcting or removing the same. If a noncompliance exists, the Owner shall remedy or remove the same within a period of not more than forty-five (45) days from the date that notice of the Board ruling is given to the Owner. If the Owner does not comply with the Board
ruling within that period, the Board may Record a Notice of Noncompliance and may peacefully remove the noncomplying Improvement or otherwise peace-
fully remedy the noncompliance, and the Owner shall reimburse the Association, upon demand, for all expenses incurred in connection therewith. If such expenses are not promptly repaid by the Owner to the Association, the Board shall levy a Special Assessment against the Owner for reimbursement as provided in this Declaration. The right of the Association to remove a noncomplying Improvement or otherwise remedy the noncompliance shall be in addi-
tion to all other rights and remedies which the Association may have at law, in equity or in this Declaration.

(c) If for any reason the Committee fails to notify the Owner of any noncompliance with previ-
ously submitted and approved plans within sixty (60) days after receipt of written notice of com-
pletion from the Owner, the Improvement shall be deemed to be in accordance with the approved plans.

(d) Notwithstanding anything contained in this Declaration to the contrary, any member of the Board or of the Committee, or any officer of the Association, shall immediately notify the Board upon learning of any work of improvement on the Project undertaken by or on behalf of an Owner, including any work of improvement located entirely within such Owner's Unit. Within ten (10) days after the Board learns of such work or improvement, the Board shall cause a notice of nonresponsibility to be recorded and posted in the manner specified in Section 3094 of the California Civil Code, or such other provision of California law dealing with nonresponsibility for mechanics' liens resulting from such Owner's work on any portion of the Project.

4.7. Scope of Review.
The Architectural Committee shall review and approve or dis-
approve all plans submitted to it for any proposed Improve-
ment, alteration or addition, solely on the basis of aesthetic considerations, consistency with this Declaration, and the overall benefit or detriment which would result to the immediate vicinity and the Property generally. The Com-
mittee shall take into consideration the aesthetic aspects of the architectural designs, placement of buildings, landscap-
ing, color schemes, exterior finishes and materials and similar features. The Committee's approval or disapproval shall be based solely on the considerations set forth in this Article IV, and the Committee shall not be responsible for reviewing, nor shall its approval of any plan or design be
deemed approval of, any plan or design from the standpoint of structural safety or conformance with building or other codes.

4.8. Variances.
The Committee may authorize variances from compliance with any of the architectural provisions of this Declaration, including restrictions upon height, size, floor area or placement of Improvements, or similar restrictions, when circumstances such as topography, natural obstructions, hardship, aesthetic or environmental consideration may require. Such variances must be evidenced in writing, must be signed by at least a majority of the members of the Committee, and shall become effective upon Recordation. If such variances are granted, no violation of the covenants, conditions and restrictions contained in this Declaration shall be deemed to have occurred with respect to the matter for which the variance was granted. The granting of such a variance shall not operate to waive any of the terms and provisions of this Declaration for any purpose except as to the particular property and particular provision hereof covered by the variance and shall not necessarily serve as a basis for subsequent variances with respect to other proposed Improvements. The granting of any variance shall not affect in any way the Owner's obligation to comply with all governmental laws and regulations affecting the use of his Residence.

ARTICLE V

5. Maintenance Funds and Assessments.

5.1. Personal Obligation of Assessments.
Declarant, for each Condominium owned by it, hereby covenants and agrees to pay, and each Owner, by acceptance of a deed of a Condominium whether or not it shall be so expressed in any such deed, is deemed to covenant and agree to pay to the Association all Annual Assessments for Common Expenses and all applicable Special Assessments, Reconstruction Assessments and Capital Improvement Assessments. The Association shall not levy or collect any Annual Assessment, Capital Improvement Assessment, Special Assessment or Reconstruction Assessment that exceeds the amount necessary for the purpose for which it is levied. Except as provided in this Section 5.1, all such assessments, together with interest, costs, and reasonable attorneys' fees, shall be a separate, distinct and personal obligation of the Person who was the Owner of the Condominium at the time when the assessment fell due. This personal obligation cannot be avoided by abandonment of the Condominium or by an offer to waive use of the Common Property or the Exclusive Use Common Area. The personal obligation for delinquent assessments shall not pass to any new Owner ("Purchaser") unless expressly assumed by the Purchaser.
The Board of Directors shall establish no fewer than two (2) separate accounts (the "Maintenance Funds"), into which shall be deposited all monies paid to the Association, and from which disbursements shall be made, as provided herein, in the performance of functions by the Association under this Declaration. The Maintenance Funds may be established as trust accounts at a banking or savings institution. The Maintenance Funds shall include: (1) an Operating Fund for current Common Expenses of the Association, (2) a Reserve Fund for capital improvements, replacements, painting and repairs of the Common Property (which cannot normally be expected to occur on an annual or more frequent basis), and (3) any other funds which the Board of Directors may establish to the extent necessary under the provisions of this Declaration. The Board of Directors shall not commingle any amounts deposited into any of the Maintenance Funds with one another. Nothing contained herein shall limit, preclude or impair the establishment of additional Maintenance Funds by the Association, so long as the amounts assessed to, deposited into, and disbursed from any such Fund are earmarked for specified purposes authorized by this Declaration.

5.3. Purpose of Assessments.
The assessments levied by the Board of Directors on behalf of the Association shall be used exclusively to promote the recreation, health, safety and welfare of the residents of the Condominiums and for the operation, replacement, improvement and maintenance of the Property and to discharge any other obligations of the Association under this Declaration. All amounts deposited into the Maintenance Funds must be used solely for the common benefit of all of the Owners for purposes authorized by this Declaration. Disbursements from the Operating Fund shall be made by the Board of Directors for such purposes as may be necessary for the discharge of its responsibilities herein for the common benefit of all of the Owners, other than those purposes for which disbursements from the Reserve Fund are to be used. Disbursements from the Reserve Fund shall be made by the Board of Directors only for the respective purposes specified in this Article V. Nothing in this Declaration shall be construed in such a way as to prohibit the use of Association assessments or funds to abate any annoyance or nuisance emanating from outside the physical boundaries of the Property.

5.4. Limitations on Annual Assessment Increases.
The Board shall levy Annual Assessments in accordance with the following provisions:

(a) Maximum Authorized Annual Assessment for Initial Year of Operations. Until the first day of the Fiscal Year immediately following the Fiscal Year in which Annual Assessments commence, the
Board shall not levy Annual Assessments in any Fiscal Year in excess of one hundred twenty percent (120%) of the amount of Annual Assessments disclosed in the most current Budget filed with and approved by the DRE at the time Annual Assessments commence without the vote of Members casting a majority of votes at a meeting or election of the Association in which more than fifty percent (50%) of the Members are represented. Notwithstanding the foregoing, this Section does not limit Annual Assessment increases necessary for addressing an "Emergency Situation" as defined in Section 5.4(d).

(b) Maximum Authorized Annual Assessment for Subsequent Fiscal Years. Starting with the first Fiscal Year immediately following the Fiscal Year in which Annual Assessments commence, the Board shall not levy Annual Assessments in any Fiscal Year in excess of one hundred twenty percent (120%) of twelve (12) times the monthly installment of Annual Assessments levied during the last month of the immediately preceding Fiscal Year without the vote of Members casting a majority of votes at a meeting or election of the Association in which more than fifty percent (50%) of the Members are represented. Notwithstanding the foregoing, this Section does not limit Annual Assessment increases necessary for addressing an "Emergency Situation" as defined in Section 5.4(d).

(c) Supplemental Annual Assessments. If the Board, by majority vote, determines that the important and essential functions of the Association may be properly funded by an Annual Assessment in an amount less than the maximum authorized Annual Assessment described above, it may levy such lesser Annual Assessment. If the Board determines that the estimate of total charges for the current year is or will become inadequate to meet all expenses for the Property for any reason, it shall immediately determine the approximate amount of the inadequacy. Subject to the limitations described in Sections 5.4(a) and (b) above and (d) below, the Board shall have the authority to levy, at any time by a majority vote, a supplemental Annual Assessment reflecting a revision of the total charges to be assessed against each Condominium.

(d) Emergency Situations. For purposes of Sections 5.4(a), 5.4(b) and 5.6, an "Emergency Situation" is any one of the following:
(i) An extraordinary expense required by an order of a court;

(ii) An extraordinary expense necessary to repair or maintain the Property or any portion thereof for which the Association is responsible when a threat to personal safety on the Property is discovered; and

(iii) An extraordinary expense necessary to repair or maintain the Property or any portion thereof for which the Association is responsible that could not have been reasonably foreseen by the Board when preparing the Budget. Prior to the imposition or collection of an assessment pursuant to this subparagraph (iii), the Board shall pass a resolution containing written findings as to the necessity of the extraordinary expense involved and why the expense was not or could not have been reasonably foreseen in the budgeting process. The resolution shall be distributed to the Members with the Notice of Assessment.

5.5. Annual Assessments/Commencement-Collection. The Board of Directors shall authorize and levy the amount of the Annual Assessment upon each Condominium, as provided herein, by majority vote of the Board. The initial Annual Assessment shall begin on all Condominiums in the Project (including untransferred Condominiums therein owned by Declarant) on the first day of the first calendar month following the first Close of Escrow for the transfer of a Condominium in the Project. All Annual Assessments shall be assessed proportionately against the Owners and their Condominiums based upon the percentages reflected in the Maintenance Expense Schedule attached hereto as Exhibit "C." Annual Assessments for fractions of any month involved shall be prorated. Declarant shall pay its full pro rata share of the Annual Assessments on all untransferred Condominiums for which Annual Assessments have commenced. The Board shall fix the amount of the Annual Assessment against each Condominium at least thirty (30) days in advance of each Annual Assessment period. From time to time the Board may determine that all excess funds in the Operating Fund be retained by the Association and used to reduce the following year's Annual Assessment. Upon dissolution of the Association incident to the abandonment or termination of the Property, any amounts remaining in any of the Maintenance Funds shall be distributed to or for the benefit of the Members in the same proportions as such monies were collected from the Members.

Each Member shall pay to the Association his Annual Assessment in monthly installments in such amounts as established by the Board. Each Annual Assessment may be paid by the Member to the Association in one check or in separate
checks as payments attributable to the deposits under the Operating Fund and the Reserve Fund. If any installment of an Annual Assessment payment is less than the amount assessed and the payment does not specify the Maintenance Fund or Funds into which it should be deposited, the receipt by the Association from that Owner shall be credited in order of priority first to the Operating Fund, until that portion of the Annual Assessment has been satisfied, and second to the Reserve Fund.

5.6. Capital Improvement Assessments. Should the Board of Directors determine the need for a Capital Improvement or other such addition to the Property, the cost of which in the aggregate exceeds five percent (5%) of the Budgeted gross expenses of the Association for the then current Fiscal Year, then the vote or written consent of Members casting a majority of votes at a meeting or election of the Association in which more than fifty percent (50%) of the Members are represented shall be required to approve and render effective a Capital Improvement Assessment levied by the Board of Directors to cover the cost of such expenditure. Capital Improvement Assessments may be levied by the Board without the consent of the Members, if the aggregate of such expenditures in each Fiscal Year does not exceed five percent (5%) of the Budgeted gross expenses of the Association for such Fiscal Year. Notwithstanding the foregoing, the Board may levy in any Fiscal Year, a Capital Improvement Assessment applicable to that Fiscal Year which exceeds five percent (5%) of the Budgeted gross expenses of the Association for such Fiscal Year if such increase is necessary for addressing an Emergency Situation as defined in Section 5.4(d).

5.7. Delinquency and Acceleration. Any installment of an assessment provided for in this Declaration shall become delinquent if not paid within fifteen (15) days of the due date as established by the Board of Directors of the Association. The Board shall be authorized to adopt a system pursuant to which any installment of Annual Assessments, Capital Improvement Assessments, Special Assessments, or Reconstruction Assessments not paid within thirty (30) days after the due date, plus all reasonable costs of collection (including attorneys' fees) and late charges as provided herein, shall bear interest commencing thirty (30) days from the due date until paid at the rate of up to twelve percent (12%) per annum, but in no event more than the maximum rate permitted by law. The Board of Directors may also require the delinquent owner to pay a late charge in accordance with California Civil Code Section 1366(c)(2). If any installment of any assessment is not paid within thirty (30) days after its due date, the Board may mail a notice to the Owner and to each first Mortgagor of a Condominium which has requested a copy of the notice. Such notice shall specify (1) the fact that the installment is delinquent; (2) the action required to cure the default; (3)
a date, not less than thirty (30) days from the date the
notice is mailed to the Owner, by which such default must be
cured; and (4) that failure to cure the default on or before
the date specified in the notice may result in acceleration
of the balance of the installments of such assessment for the
then current Fiscal Year and sale of the Condominium. The
notice shall further inform the Owner of his right to cure
after acceleration. If the delinquent installments of an
assessment and any charges thereon are not paid in full on or
before the date specified in the notice, the Board at its
option may declare all of the unpaid balance of such assess-
ment for the then current Fiscal Year, attributable to that
Owner and his Condominium, to be immediately due and payable
without further demand and may enforce the collection of the
full assessment for such Fiscal Year and all charges thereon
in any manner authorized by law and this Declaration. The
Association need not accept any tender of a partial payment
of an installment of an assessment and all costs and at-
torneys' fees attributable thereto, and any acceptance of any
such tender shall not be deemed to be a waiver of the
Association's right to demand and receive full payments
thereafter.

All sums other than Special Assessments assessed in accord-
ance with the provisions of this Declaration shall constitute
a lien on the respective Condominium prior and superior to
all other liens, except (1) all taxes, bonds, assessments and
other levies which, by law, would be superior thereto, and
(2) the lien or charge of any first Mortgage of record (mean-
ing any Recorded Mortgage or Deed of Trust with first prior-
ity or seniority over other Mortgages or Deeds of Trust) made
in good faith and for value and Recorded prior to the date on
which the lien became effective. Notwithstanding the fore-
goings, any assessment lien provided for hereunder shall be
prior and superior to any declaration of homestead Recorded
after the Recordation of this Declaration. The lien shall
become effective upon Recordation by the Board or its author-
ized agent of a Notice of Assessment ("Notice of Lien")
securing the payment of any Annual, Capital Improvement or
Reconstruction Assessment or installment thereof, levied by
the Association against any Condominium Owner as provided in
Section 1367 of the California Civil Code. The Notice of
Lien shall state (i) the amount of the assessment or install-
ment, as the case may be, and other authorized charges and
interest, including the cost of preparing and Recording the
Notice of Lien, (ii) the expenses of collection in connection
with any delinquent installments, including without limita-
tion reasonable attorneys' fees, (iii) a sufficient descrip-
tion of the Condominium against which the same has been as-
sessed, (iv) the name and address of the Association, (v) the
name of the Owner thereof, and (vi) in order for the lien to
be enforced by nonjudicial foreclosure, the name and address
of the trustee authorized by the Association to enforce the
lien by sale. The Notice of Lien shall be signed by the President or Vice President and Secretary or Assistant Secretary of the Association. The lien shall relate only to the individual Condominium against which the assessment was levied and not to the Property as a whole. Upon payment to the Association of the full amount claimed in the Notice of Lien, or other satisfaction thereof, the Board of Directors shall cause to be Recorded a Notice of Satisfaction and Release of Lien ("Notice of Release") stating the satisfaction and release of the amount claimed. The Board of Directors may demand and receive from the applicable Owner a reasonable charge for the preparation and Recording of the Notice of Release before Recording it. Any purchaser or encumbrancer who has acted in good faith and extended value may rely upon the Notice of Release as conclusive evidence of the full satisfaction of the sums stated in the Notice of Lien.

5.9. Enforcement of Liens. It shall be the duty of the Board of Directors to enforce the collection of any amounts due under this Declaration by one or more of the alternative means of relief afforded by this Declaration. The lien on a Condominium may be enforced by sale of the Condominium by the Association, the Association’s attorneys, any title insurance company authorized to do business in California, or other persons authorized to conduct the sale as a trustee, after failure of the Owner to pay any Annual, Capital Improvement or Reconstruction Assessment, or installment thereof, as provided herein. The sale shall be conducted in accordance with the provisions of the California Civil Code, applicable to the exercise of powers of sale in mortgages and deeds of trust, or in any manner permitted by law. An action may be brought to foreclose the lien of the Association by the Board, or by any Owner if the Board fails or refuses to act, after the expiration of at least thirty (30) days from the date on which the Notice of Lien was Recorded; provided that at least ten (10) days have expired since a copy of the Notice of Lien was mailed to the Owner affected thereby, and subject to the provisions of Section 5.7 if the Board accelerates the due date of any assessment installments. The Association, through its agents, shall have the power to bid on the Condominium at foreclosure sale, and to acquire and hold, lease, mortgage and convey the same. Upon completion of the foreclosure sale, an action may be brought by the Association or the purchaser at the sale in order to secure occupancy of the defaulting Owner’s Unit, and the defaulting Owner shall be required to pay the reasonable rental value for such Unit during any period of continued occupancy by the defaulting Owner or any persons claiming under the defaulting Owner. Suit to recover a money judgment for unpaid assessments shall be maintainable without foreclosing or waiving any lien securing the same, but this provision or any institution of suit to recover a money judgment shall not constitute an affirmation of the adequacy of
money damages. Any recovery resulting from a suit in law or equity initiated pursuant to this Section may include reasonable attorneys' fees as fixed by the court.

5.10. Priority of Assessment Lien. The lien of the assessments, including interest and costs of collection (including attorneys' fees), provided for herein shall be subordinate to the lien of any first Mortgage upon any Condominium. Sale or transfer of any Condominium shall not affect the assessment lien. However, the sale or transfer of any Condominium pursuant to judicial or nonjudicial foreclosure of a first Mortgage shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Condominium from liens for any assessments thereafter becoming due. When the Mortgagee of a first Mortgage of record or other purchaser of a Condominium obtains title pursuant to a judicial or nonjudicial foreclosure of the first Mortgage, such acquirer of title, his successors and assigns, shall not be liable for the share of the Common Expenses or assessments by the Association chargeable to such Condominium which became due prior to the acquisition of title to such Condominium by such acquirer. Such unpaid share of Common Expenses or assessments shall be deemed to be Common Expenses collectible from all of the Owners of the Condominiums in the Property including such acquirer, his successors and assigns.

ARTICLE VI

6. Project Easements and Rights of Entry.

6.1. Easements.

(a) Access. Declarant expressly reserves for the benefit of the Owners reciprocal, nonexclusive easements for access, ingress and egress over all of the Common Property, including any private streets or driveways currently existing in the Property or subsequently added to it, which easements may be conveyed by Declarant to Owners and to the Association for so long as Declarant owns any interest in the Property. Subject to the provisions of this Declaration governing use and enjoyment thereof, the easements may be used by all Owners and their guests, tenants and invitees residing on or temporarily visiting the Property, for walkways, vehicular access and such other purposes reasonably necessary for use and enjoyment of a Condominium in the Project.

(b) Maintenance and Repair. Declarant expressly reserves for the benefit of the Board of Directors and all agents, officers and employees of
the Association, nonexclusive easements over the Common Area (including the Exclusive Use Common Area) as necessary to maintain and repair the Common Area, and to perform all other tasks in accordance with the provisions of this Declaration. Such easements over the Common Area shall be appurtenant to and binding upon, and shall pass with the title to, every Condominium conveyed.

(c) Restricted Common Areas. Declarant expressly reserves for the benefit of certain Owners exclusive easements over the Project for use of the Exclusive Use Common Area, including without limitation for parking purposes as shown on Exhibit "D" and assigned in the individual grant deeds of the respective Units and for patio and balcony purposes as shown and assigned in the Condominium Plan for the Project. In addition, each Owner, as applicable, shall have an exclusive easement for fireplace purposes over the interior of the fireplace, if any, in his Unit. Each Owner shall be obligated to maintain and clean the interior of the chimney and the portion of the fireplace contained within the interior of a Unit. The Association shall maintain the exterior of the chimney and its structural integrity. Any dispute regarding maintenance responsibilities for the fireplace shall be resolved by the Board of Directors in its absolute discretion. Owners shall be entitled to exchange Exclusive Use Common Area parking spaces assigned to their respective Units in their individual grant deeds, provided that (1) a reciprocal deed of conveyance identifying the exchanged Exclusive Use Common Area parking spaces, the exchanging Owners and their respective Condominiums, is executed by the exchanging Owners and the first Mortgages of such exchanging Owners, and Recorded; and (2) no exchange of Exclusive Use Common Area parking spaces shall be effective if such exchange would result in a reduction of the number of parking spaces to which such Owners were originally entitled. A copy of the Recorded reciprocal deed of conveyance shall be delivered to the Board as soon as possible after Recordation.

(d) Utility Easements. Declarant expressly reserves for the benefit of the Association the right of Declarant to grant additional easements and rights-of-way over the Property to utility companies and public agencies, as necessary, for the proper development and disposal of the Property. Such right of Declarant shall expire upon Close of Escrow for the sale of all Condominiums in the Project or upon expiration of
five (5) years from the date of original issuance by the DRE of the Final Subdivision Public Report for the Project, whichever comes first.

(e) Encroachments. Declarant, the Association and Owners of contiguous Residences shall have a reciprocal easement appurtenant to each of the Residences over the Residences and the Common Property for the purpose of (1) accommodating any existing encroachment of any wall of any Improvement, and (2) maintaining the same and accommodating construction, reconstruction, repair, shifting, movement or natural settling of the Improvements or any other portion of the Project housing their respective Units. Easements and reciprocal negative easements for utility services and repairs, replacement and maintenance of the same over all of the Common Property are specifically reserved for the benefit of the Owners. The foregoing easements shall not unreasonably interfere with each Owner's use and enjoyment of adjoining Residences. No portion of the Common Property, including without limitation parking spaces and other amenities contemplated as a part of the Property, are proposed to be leased by Declarant to the Owners or to the Association.

6.2. Rights of Entry.
The Board of Directors shall have a limited right of entry in and upon the Common Area and the interior of all Units for the purpose of inspecting the Project, and taking whatever corrective action may be deemed necessary or proper by the Board of Directors, consistent with the provisions of this Declaration. However, such entry upon the interior of a Unit shall be made, except to effect emergency repairs or other emergency measures, only after three (3) days prior written notice to the Owner of such Unit and after authorization of two-thirds (2/3rds) of the Board of Directors. Nothing herein shall be construed to impose any obligation upon the Association to maintain or repair any property or Improvements required to be maintained or repaired by the Owners. Nothing in this Article VI shall in any manner limit the right of the Owner to exclusive occupancy and control over the interior of his Unit. However, an Owner shall permit a right of entry to the Board of Directors or any other person authorized by the Board of Directors, as reasonably necessary, such as in case of any emergency originating in or threatening his Unit, whether the Owner is present or not. Any damage caused to a Unit by such entry by the Board of Directors or by any person authorized by the Board of Directors shall be repaired by the Association as a Common Expense of the Association. Furthermore, an Owner shall permit other Owners, or their representatives, to enter his Residence for the purpose of performing required installations, alterations
or repairs to the mechanical or electrical services to a Residence, provided that such requests for entry are made in advance and entry is made at a time reasonably convenient to the Owner whose Unit is to be entered; and provided further that the entered Unit is left in substantially the same condition as existed immediately preceding such entry. In case of an emergency, such right of entry shall be immediate. Any damage caused to a Unit by such entry by an Owner or its representatives shall be repaired by such Owner. Upon receipt of reasonable notice from the Association (which shall in no event be less than fifteen (15) days nor more than thirty (30) days) each Owner shall vacate his Unit in order to accommodate efforts by the Association to perform any other maintenance or repairs pursuant to the Declaration. The Board of Directors shall have the right of entry to the Units and the right to remove Owners from their Units, as necessary, to accomplish its duties as provided herein. The cost of eradicating any such infestation or of performing any such maintenance or repairs shall be a Common Expense of the Association; however, each Owner shall bear his own costs of temporary relocation. If the Association acts to eradicate any wood destroying pests or organisms, then the procedure established in Section 2.6 shall control.

ARTICLE VII

7. Residence and Use Restrictions. All of the Property shall be held, used and enjoyed subject to the following limitations and restrictions.

7.1. Single Family Residences. No living element of any Residence shall be used for any purpose other than single family residential purposes. No gainful occupation, profession, trade or other nonresidential use shall be conducted within the Project. The provisions of this Section 7.1 shall not preclude professional and administrative occupations without external evidence thereof, for so long as such occupations are in conformance with all applicable governmental ordinances and are merely incidental to the use of the Dwelling Unit as a Residence.

7.2. Parking and Vehicular Restrictions. No commercial-type vehicle (including, but not limited to, any dump truck, cement mixer truck, oil or gas truck or delivery truck), no recreational vehicle (including, but not limited to, any camper unit, house car or motor home), bus, trailer, trailer coach, camp trailer, boat, aircraft, mobile home, inoperable vehicle or any other similar vehicle or any vehicular equipment, mobile or otherwise, deemed to be a nuisance by the Board, shall be parked, kept or maintained anywhere on the Property. No repairs or restorations of any motor vehicle, boat, trailer, aircraft or other vehicle shall be conducted upon any portion of the Project. No inoperable vehicle shall be stored or allowed to remain on the Project.
The parking area shall be used for parking authorized vehicles only and shall not be converted for storage, living, recreational or business purposes. The Association, through the Board and its agents, is hereby empowered to establish "parking," "guest parking" and "no parking" areas within the Property (other than Exclusive Use Common Area assigned to the Units) as well as to enforce all parking restrictions herein set forth and to remove any vehicles in violation thereof in accordance with the provisions of Section 22658 of the California Vehicle Code, or other applicable laws, codes, and statutes. If, for any reason, the Association fails to enforce the parking restrictions, the City or County, as applicable, in which the Property is located shall have the right, but not the duty, to enforce such parking restrictions in accordance with the California Vehicle Code and all other applicable laws, codes, statutes and local ordinances.

7.3. Antennae.
No radio station or shortwave operators of any kind shall operate from any Unit or any other portion of the Property unless approved by the Architectural Committee. With the exception of any master antenna maintained by the Association, no exterior radio antenna, "C.B." antenna, television antenna, or other antenna of any type shall be erected or maintained anywhere in the Property.

7.4. Insurance Rates.
Nothing shall be done or kept in the Project which will increase the rate of insurance on any property insured by the Association without the approval of the Board, nor shall anything be done or kept in the Project which would result in the cancellation of insurance on any property maintained by the Association or which would be in violation of any law.

7.5. Further Subdivision.
Unless at least seventy-five percent (75%) of the first Mortgagors, or Owners representing seventy-five percent (75%) of the voting power of the Association have given their prior written approval, and all applicable laws and regulations have been complied with, no Owner shall physically or legally further subdivide his Unit in any manner, including without limitation, the division of his Unit or his Condominium into time-share estates or time-share uses; however, the right of an Owner to rent or lease all of his Unit by means of a written lease or rental agreement subject to the Restrictions shall not be impaired. Notwithstanding the foregoing, no Unit in the Project may be partitioned or subdivided without the prior written approval of the Beneficiary of any first Mortgage on that Unit. This Section may not be amended without the prior written approval of the Beneficiaries of at least seventy-five percent (75%) of the first Mortgages of Condominiums in the Project.
7.6. **Leases.**
No Owner shall be permitted to sublease or rent his Unit for transient or hotel purposes. Any failure by the lessee of the Unit to comply with the terms of this Declaration or the Bylaws of the Association shall constitute a default under the lease or rental agreement. In addition, if an Owner leases his Unit, such lease shall provide that upon default in the payment of any Assessment levied pursuant to this Declaration by the Owner, the Association may, at its option, as long as such default continues, demand and receive the rent as it becomes due from such tenant to the Owner, up to an amount sufficient to pay all sums due from the Owner to the Association, including any costs of collection and attorneys' fees as authorized in this Declaration. Notwithstanding the foregoing, if an Owner fails to include such a provision in a lease of the Owner's Unit, by acceptance of a grant deed for Owner's Unit, Owner shall be deemed to have authorized the Association to collect such unpaid Assessments and related costs from Owner's tenant. Any payment of rent to the Association by Owner's tenant shall be sufficient to discharge the tenant's obligation to pay rent to the Owner, to the extent of the amount so paid. The Association's acceptance of rent from any tenant shall not be deemed a consent to or approval of any assignment or lease by the Owner, or a release or discharge of any of the Owner's obligations hereunder.

7.7. **Signs.**
No sign, poster, Billboard, advertising device or other display of any kind shall be displayed to the public view without the approval of the Architectural Committee, provided, however, that the restrictions of this Section shall not apply to any sign or notice of customary and reasonable dimension as prescribed by the Architectural Committee as may be displayed from the interior of a Unit which states that the Residence is for rent or sale. Such sign or notice may be placed within a Unit but not upon any portion of the Common Property. The Board of Directors shall have the power to reasonably control the location of any "for sale" signs in the Project, and may erect within the Common Property a master directory of Units which are for sale or for lease. Address identification signs shall be maintained by the Association. Notwithstanding the foregoing, nothing contained in this Section shall be construed in such a manner as to permit the maintenance of any sign which is not in conformance with any ordinance of the City of Huntington Beach.

7.8. **View Obstructions.**
No vegetation or other obstruction shall be planted or maintained upon any patio or balcony in such location or of such height as to unreasonably obstruct the view from any
other Residence in the vicinity thereof. If there is a dispute between Owners concerning the obstruction of a view from a Residence, the dispute shall be submitted to the Architectural Committee, whose decision in such matters shall be binding. Any such obstruction shall, upon request of the Architectural Committee, be removed or otherwise altered to the satisfaction of the Architectural Committee, by the Owner of the Residence upon which the obstruction is located. Any item or vegetation maintained upon any patio or balcony, which item or vegetation is exposed to the view of any Owner, shall be removed or otherwise altered to the satisfaction of the Architectural Committee, if such Committee determines that the maintenance of such item or vegetation in its then existing state is contrary to the purposes or provisions of this Declaration. The Architectural Committee shall ensure that the vegetation on the Common Property maintained by the Association is cut frequently, so that the view of any Owner is not unreasonably obstructed.

No livestock, reptiles, insects, poultry or other animals of any kind including, but not limited to, domestic dogs, cats and other household pets, shall be kept, bred or raised anywhere on the Project.

7.10. Nuisances.
No rubbish or debris of any kind shall be placed or permitted to accumulate anywhere upon the Project and no odor shall be permitted to arise therefrom so as to render the Project or any portion thereof unsanitary, unsightly, offensive or detrimental to any other property in the vicinity thereof or to its occupants. No activity shall be permitted to exist or operate upon any portion of the Project, so as to be offensive, hazardous or detrimental to any other property in the vicinity thereof or to its occupants, and the Board shall have the right to determine if any noise, odor or activity producing same constitutes a nuisance. Without limiting the generality of any of the foregoing provisions, no exterior speakers, horns, whistles, bells or other sound devices (other than security devices used exclusively for security purposes), noisy or smoky vehicles, large power equipment or large power tools, unlicensed off-road motor vehicles or items which may unreasonably interfere with television or radio reception of any Owner in the Project, shall be located, used or placed on any portion of the Project, without the prior written approval of the Architectural Committee. All storage shall be enclosed within the enclosed Units or designated storage areas, if any, so as not to be visible to other Owners. Each Owner shall be accountable to the Association and other Owners for the conduct and behavior of children visiting his Dwelling Unit and other Family Members or persons residing in or visiting his Dwelling Unit.
and any damage to the Property or property of another Owner caused by such children or other Family Members shall be repaired at the sole expense of the Owner with whom said children or other Family Members or persons are residing or visiting.

7.11. Inside and Outside Installations.
No outside installation of any type, including but not limited to a television or radio pole, antennae or clothesline, shall be constructed, erected or maintained on any Residence, excepting any antennae installed as a part of the initial construction of the Property and except as may be installed by, or with the prior consent of the Architectural Committee. With the exception of installations existing at the time of initial construction of the Property, no patio covers, awnings, wiring, or installation of air conditioning, water softeners, or other machines shall be installed on the exterior of the buildings of the Project or be allowed to protrude through the walls or roofs of the buildings unless the prior written approval of the Architectural Committee is secured. Outdoor patio or lounge furniture, plants and barbecue equipment may be maintained pursuant to the Rules and Regulations. The type and color of all exposed window coverings shall be subject to the prior written approval of the Architectural Committee. Notwithstanding the specificity of the foregoing, no exterior addition, change or alteration to any Residence shall be commenced without the prior written approval of the Architectural Committee. Nothing shall be done in any Unit or in, on or to the Common Property which will or may tend to impair the structural integrity of any building in the Property or which would structurally alter any such building except as otherwise expressly provided herein. There shall be no alteration, repair or replacement of wall coverings within Units which may diminish the effectiveness of the sound control engineering within the buildings in the Project. There shall be no destruction of any part of the Project, except by the Association in accordance with this Declaration. No utility bearing or structural interior wall in any of the Improvements of the Project shall be pierced or otherwise altered in any way, without a structural engineering analysis and the prior written approval of the Architectural Committee. No Owner shall cause or permit any mechanic's lien to be filed against any portion of the Project for labor or materials alleged to have been furnished or delivered to the Project or any Condominium Unit for such Owner, and any Owner who does so shall immediately cause the lien to be discharged within five (5) days after notice to the Owner from the Board. If any Owner fails to remove such mechanic's lien, the Board may discharge the lien and charge the Owner a Special Assessment for such cost of discharge after Notice and Hearing as provided in the Bylaws.
Trash, garbage, or other waste shall be disposed of by residents of the Project only by depositing the same into designated trash containers. No portion of the Property shall be used for the deposit or storage of building materials, refuse or any other materials, other than in connection with approved construction. There shall be no exterior fires whatsoever except barbecue fires contained within receptacles therefor. No clothing, household fabrics or other unsightly articles shall be hung, dried or aired on any portion of the Property, including the interior of any Residence, so as to be visible from other Residences or the street. No lumber, grass, shrub or tree clippings or plant waste, metals, bulk materials, scrap, refuse or trash shall be kept, stored or allowed to accumulate in any Residence, including any patio, balcony or parking space.

There shall be no interference with the established drainage pattern over the Property, unless an adequate alternative provision is made for proper drainage and is first approved in writing by the Architectural Committee. For the purpose hereof, "established" drainage is defined as the drainage which exists at the time of the first Close of Escrow for the transfer of a Condominium, or that which is shown on any plans approved by the Architectural Committee.

No individual water supply or water softener system shall be permitted in any Unit unless such system is designed, located, constructed and equipped in accordance with the requirements, standards, and recommendations of any applicable water district, the City of Huntington Beach, and all other applicable governmental authorities. Any sewage disposal system shall be installed only after approval by the Architectural Committee and any governmental health authority having jurisdiction.

ARTICLE VIII

8. Insurance.

8.1. Duty to Obtain Insurance; Types.
The Board shall cause to be obtained and maintained adequate blanket public liability insurance (including medical payments), with such limits as may be considered acceptable to FNMA (not less than $1 million covering all claims for personal injury and property damage arising out of a single occurrence), insuring against liability for bodily injury, death and property damage arising from the activities of the Association and its Members, with respect to the Common Property. The Board shall also cause to be obtained and
maintained fire and casualty insurance with extended coverage, without deduction for depreciation, in an amount as near as possible to the full replacement value of the Common Property and those portions of the Units consisting of all fixtures, installations or additions comprising a part of the buildings housing the Units and all built-in or set-in appliances, cabinets and initial basic floor coverings, as initially installed or replacements thereof in accordance with the original plans and specifications for the Project, or as installed by or at the expense of the Owners. Such insurance shall be maintained for the benefit of the Association, the Owners, and the Mortgagees, as their interests may appear as named insured, subject, however, to loss payment requirements as set forth herein. The Board of Directors shall purchase such other insurance, as necessary, including but not limited to, errors and omissions, directors, officers and agents liability insurance, plate glass insurance, medical payments, malicious mischief, liquor liability and vandalism insurance, fidelity bonds and worker's compensation, and such other risks as shall customarily be covered with respect to condominium projects similar in construction, location and use. Fidelity bond coverage which names the Association as an obligee must be obtained by or on behalf of the Association for any person or entity handling funds of the Association, including, but not limited to, officers, directors, trustees, employees and agents of the Association and employees of the Manager of the Association, whether or not such Persons are compensated for their services, in an amount not less than the estimated maximum of funds, including reserve funds, in the custody of the Association or the Manager, as the case may be, at any given time during the term of each bond. However, in no event may the aggregate amount of such bonds be less than the sum equal to one fourth (1/4) of the Annual Assessments on all Condominiums in the Project, plus reserve funds. In addition, the Association shall continuously maintain in effect such casualty, flood and liability insurance and fidelity bond coverage meeting the insurance and fidelity bond requirements for condominium projects established by FNMA, GNMA and FHLMC, so long as any of which is a Mortgagee or Owner of a Condominium within the Project, except to the extent such coverage is not available or has been waived in writing by FNMA, GNMA and FHLMC, as applicable.

8.2. Waiver of Claims Against Association.
As to all policies of insurance maintained by or for the benefit of the Association and the Owners, the Association and the Owners hereby waive and release all claims against one another, the Board of Directors and Declarant, to the extent of the insurance proceeds available, whether or not the insurable damage or injury is caused by the negligence of or breach of any agreement by any of said Persons.
8.3. Right and Duty of Owners to Insure.
It is the responsibility of each Owner to provide insurance on his personal property and upon all other property and improvements within his Unit for which the Association has not purchased insurance in accordance with Section 8.1 hereof. Nothing herein shall preclude any Owner from carrying any public liability insurance as he deems desirable to cover his individual liability for damage to person or property occurring inside his individual Unit or elsewhere upon the Property. Such policies shall not adversely affect or diminish any liability under any insurance obtained by or on behalf of the Association, and duplicate copies of such other policies shall be deposited with the Board upon request. If any loss intended to be covered by insurance carried by or on behalf of the Association shall occur and the proceeds payable thereunder shall be reduced by reason of insurance carried by any Owner, such Owner shall assign the proceeds of such insurance carried by him to the Association, to the extent of such reduction, for application by the Board to the same purposes as the reduced proceeds are to be applied.

8.4. Notice of Expiration Requirements.
If available, each of the policies of insurance maintained by the Association shall contain a provision that said policy shall not be cancelled, terminated, materially modified or allowed to expire by its terms, without ten (10) days' prior written notice to the Board, and to each Owner and Beneficiary, insurer and guarantor of a first Mortgage who has filed a written request with the carrier for such notice, and every other Person in interest who requests such notice of the insurer. In addition, fidelity bonds shall provide that they may not be cancelled or substantially modified without ten (10) days' prior written notice to any insurance trustee named pursuant to Section 8.6 and to each FNMA servicer who has filed a written request with the carrier for such notice.

8.5. Insurance Premiums.
Insurance premiums for any blanket insurance coverage obtained by the Association and any other insurance deemed necessary by the Board of Directors shall be a Common Expense to be included in the Annual Assessments levied by the Association and collected from the Owners. That portion of the Annual Assessments necessary for the required insurance premiums shall be separately accounted for by the Association in the Reserve Fund, to be used solely for the payment of premiums of required insurance as such premiums become due.

8.6. Trustee for Policies.
The Association, acting through its Board of Directors, is hereby appointed and shall be deemed trustee of the interests of all named insureds under policies of insurance purchased
and maintained by the Association. All insurance proceeds under any such policies as provided for in Section 8.1 of this Article shall be paid to the Board of Directors as trustees. The Board shall have full power to receive and to receipt for the proceeds and to deal therewith as provided herein. Insurance proceeds shall be used by the Association for the repair or replacement of the property for which the insurance was carried or otherwise disposed of as provided in Article IX of this Declaration. The Board is hereby granted the authority to negotiate loss settlements with the appropriate insurance carriers, with participation, to the extent they desire, of first Mortgagors who have filed written requests within ten (10) days of receipt of notice of any damage or destruction as provided in Section 9.4 of this Declaration. Any two (2) officers of the Association may sign a loss claim form and release form in connection with the settlement of a loss claim, and such signatures shall be binding on all the named insureds. Notwithstanding the foregoing, there may be named as an insured, a representative chosen by the Board, including a trustee with whom the Association may enter into an insurance trust agreement or any successor to such trustee, who shall have exclusive authority to negotiate losses under any policy providing property or liability insurance and to perform such other functions necessary to accomplish this purpose.

8.7. Actions as Trustee.
Except as otherwise specifically provided in this Declaration, the Board, acting on behalf of the Association and all Owners, shall have the exclusive right to bind such parties in respect to all matters affecting insurance carried by the Association, the settlement of a loss claim, and the surrender, cancellation, and modification of all such insurance, in a manner satisfactory to Beneficiaries of seventy-five percent (75%) of the first Mortgagors held by first Mortgagors who have filed requests under Section 8.4. Duplicate originals or certificates of all policies of fire and casualty insurance maintained by the Association and of all renewals thereof, together with proof of payment of premiums, shall be delivered by the Association to all Owners and Mortgagors who have requested the same in writing.

The Board shall review the insurance carried by or on behalf of the Association at least annually, for the purpose of determining the amount of the casualty and fire insurance referred to in Section 8.1 above. If economically feasible, the Board shall obtain a current appraisal of the full replacement value of the Improvements on the Property except for foundations and footings, without deduction for depreciation, from a qualified independent insurance appraiser, prior to each such annual review.

-38-
8.9. Required Waiver.
All policies of physical damage insurance shall provide, if reasonably possible, for waiver of the following rights, to the extent that the respective insurers would have the rights without such waivers:

(a) subrogation of claims against the Owners and tenants of the Owners;

(b) any defense based upon coinsurance;

(c) any right of setoff, counterclaim, apportionment, proration or contribution by reason of other insurance not carried by the Association;

(d) any invalidity, other adverse effect or defense on account of any breach of warranty or condition caused by the Association, any Owner or any tenant of any Owner, or arising from any act, neglect, or omission of any named insured or the respective agents, contractors and employees of any insured;

(e) any right of the insurer to repair, rebuild or replace, and, if the Improvement is not repaired, rebuilt or replaced following loss, any right to pay under the insurance an amount less than the replacement value of the Improvements insured;

(f) notice of the assignment of any Owner of his interest in the insurance by virtue of a conveyance of any Condominium; and

(g) any right to require any assignment of any Mortgage to the insurer.

ARTICLE IX

9.1. Restoration of the Property.
Except as otherwise provided in this Declaration, in the event of any destruction of any portion of the Property, the repair or replacement of which is the responsibility of the Association, it shall be the duty of the Association to restore and repair the same to its former condition, as promptly as practical. The proceeds of any insurance maintained pursuant to Article VIII hereof for reconstruction or repair of the Property shall be used for such purpose, unless otherwise provided herein. The Board shall be authorized to have prepared the necessary documents to effect such
reconstruction as promptly as practical. The Property shall be reconstructed or rebuilt substantially in accordance with the Condominium Plan and the original construction plans if they are available, unless changes recommended by the Architectural Committee have been approved in writing by seventy-five percent (75%) of the Owners and by the Beneficiaries of seventy-five percent (75%) of first Mortgages upon the Condominiums. If the amount available from the proceeds of such insurance policies for such restoration and repair is at least eighty-five percent (85%) of the estimated cost of restoration and repair, a Reconstruction Assessment shall be levied by the Board of Directors to provide the necessary funds for such reconstruction, over and above the amount of any insurance proceeds available for such purpose. If the amount available from the proceeds of such insurance policies for such restoration and repair is less than eighty-five percent (85%) of the estimated cost of restoration and repair, the Owners by the vote or written consent of not less than seventy-five percent (75%) of the Owners, together with the approval of the Beneficiaries of at least seventy-five percent (75%) of the first Mortgages on Condominiums in the Project, shall determine whether the Board shall levy a Reconstruction Assessment and proceed with such restoration and repair. If the Owners and their Mortgagors, as provided above, determine that the cost of such restoration and repair would be substantial and that it would not be in their best interests to proceed with the same, the Owners may, at their discretion, proceed as provided in Section 9.2 below.

9.2. Sale of Property and Right to Partition.
If the amount available from the proceeds of the insurance policies maintained by the Association is less than eighty-five percent (85%) of the cost of reconstruction, a certificate of the resolution authorizing such reconstruction may be recorded within six (6) months from the date of such destruction and, if such certificate is not recorded within said period, it shall be conclusively presumed that the Owners have determined not to rebuild said improvements. No Owner shall have the right to partition of his interest in the Condominium and there shall be no judicial partition of the Project, or any part thereof; except that if a certificate of a resolution to rebuild or restore the Project has not been recorded as provided above, within six (6) months from the date of any partial or total destruction, or if restoration has not actually commenced within said period, and the vote or written consent to such a partition is obtained from the Owners of two-thirds (2/3rds) of the Condominiums in the Project, then conditions for partition as set forth in Subdivision (4) of Section 1359(b) of the California Civil Code shall be deemed to have been satisfied.
In such event, the Association, acting through a majority of
the Board, shall prepare, execute and Record, as promptly as practical, a certificate stating that a majority of the Board may properly exercise an irrevocable power of attorney to sell the Project for the benefit of the Owners, and such other documents and instruments as may be necessary for the Association to consummate the sale of the Property at the highest and best price obtainable, either in its damaged condition, or after damaged structures have been razed. Such certificate shall be conclusive evidence of such authority for any Person relying thereon in good faith. The net proceeds of such sale and the proceeds of any insurance carried by the Association shall be divided proportionately among the Owners, such proportions to be determined in accordance with the relative appraised fair market valuation of the Condominiums as of a date immediately prior to such destruction (or condemnation), expressed as percentages, and computed by dividing such appraised valuation of each Condominium by the total of such appraised valuations of all Condominiums in the Project. The Board is hereby authorized to hire one (1) or more appraisers for such purpose and the cost of such appraisals shall be a Common Expense of the Association. Notwithstanding the foregoing, the balance then due on any valid encumbrance of record shall be first paid in order of priority, before the distribution of any proceeds to an Owner whose Condominium is so encumbered. Nothing herein shall be deemed to prevent partition of a cotenancy in any Condominium. Except as provided above, each Owner and the successors of each Owner, whether by deed, gift, devise, or by operation of law, for their own benefit and for the Units and for the benefit of all other Owners, specifically waive and abandon all rights, interests and causes of action for a judicial partition of the tenancy in common ownership of the Project and do further covenant that no action for such judicial partition shall be instituted, prosecuted or reduced to judgment.

9.3. Interior Damage.
With the exception of any casualty or damage insured against by the Association pursuant to Section 8.1 of this Declaration, restoration and repair of any damage to the interior of any individual Residence, including without limitation all fixtures, cabinets and improvements therein, together with restoration and repair of all interior paint, wall coverings and floor coverings, shall be made by and at the individual expense of the Owner of the Residence so damaged. In the event of a determination to rebuild the Property after partial or total destruction, as provided in this Article IX, such interior repair and restoration shall be completed as promptly as practical and in a lawful and workmanlike manner, in accordance with plans approved by the Architectural Committee as provided herein.
9.4. Notice to Owners and Listed Mortgagees.
The Board, immediately upon having knowledge of any damage or
destruction affecting a material portion of the Common
Property, shall promptly notify all Owners and Beneficiaries,
insurers and guarantors of first Mortgages on Condominiums in
the Project who have filed a written request for such notice
with the Board. The Board, immediately upon having knowledge
of any damage or destruction affecting a Unit, shall promptly
notify any Beneficiary, insurer or guarantor of any Mortgage
cumbersome such Unit who has filed a written request for
such notice with the Board.

ARTICLE X

10. Eminent Domain.

10.1. Definitions.
The term "taking" as used in this Article shall mean
condemnation by exercise of power of eminent domain or by
sale under threat of the exercise of the power of eminent
domain. A "Total Taking" shall occur if there is a permanent
taking by eminent domain of an interest in all or part of the
Common Area or of all or part of one or more Units, such that
the ownership, operation and use of the Project in accordance
with the provisions of this Declaration is substantially and
adversely affected, and within one hundred twenty (120) days
after the effective date of the taking the Owners of any
Units (i) not taken, or (ii) only partially taken and capable
of being restored to at least ninety-five percent (95%) of
their floor area and to substantially their condition prior
to the taking (collectively the "Remaining Units") do not by
affirmative vote of a majority of their entire voting inter-
est (without adjustment among such Units for relative voting
rights because of such partial taking) approve the continu-
ation of the Project and the repair, restoration and replace-
ment to the extent feasible of the Common Area and the
Remaining Units. A "Partial Taking" shall occur if there is
any other permanent taking of the Project. A Partial Taking
shall include, without limitation, a "Special Partial Taking"
which is described herein as a taking of all or part of one
or more Units, as Units, subject to all of the provisions of
this Declaration, without involving any taking of the Common
Area except to the extent of the proportionate interest
therein of the Units taken, so that the taking authority
becomes a successor in title to the Owner or Owners of the
Condominium or Condominiums so taken with the same effect as
if such Units were purchased by the taking authority. Fol-
lowing any taking which in the opinion of the Board of Dire-
tors would constitute a Total Taking in the absence of the
affirmative vote of the Owners of the Remaining Units as
required by the foregoing provisions, the Board of Directors
shall call a special meeting of the Owners of the Remaining
Units to be held promptly, and in any event within sixty (60) days after the effective date of such taking, to determine if such Owners of the Remaining Units will, or will not, decide to continue the Project as provided herein.

10.2. Awards; Repair; Restoration and Replacement.

(a) In the event of a Total Taking, the Board of Directors shall: (i) except as provided in Section 10.3, represent all of the Owners in an action to recover any and all awards, subject to the right of all first Mortgagees of record, upon request, to join in the proceedings, (ii) proceed with the sale of that portion of the Project which was not included in the condemnation proceedings and distribution of the net proceeds of such sale, after deducting any incidental fees and expenses, in the same proportion and in the same manner as provided in Section 9.2, and (iii) distribute the condemnation award in accordance with the court judgment or the agreement between the condemning authority and the Association, if any, or, if there is no such judgment or agreement, in accordance with Section 9.2 of this Declaration.

(b) In the event of a Partial Taking, other than a Special Partial Taking, the provisions of Section 10.2(a)(i) of this Article shall be applicable. The net proceeds of the Partial Taking awards shall be held by the Board of Directors, after deducting related fees and expenses and the portions of the awards allotted in the taking proceedings or, failing such allotment, allotted by the Board of Directors to (i) Units totally taken or partially taken and not capable of being restored to at least ninety-five percent (95%) of their floor area and substantially their condition prior to the taking, and (ii) Units taken in the same manner as in a Special Partial Taking except that the taking is made subject to only some or to none of the Restrictions (collectively the "Taken Units").

The proceeds of the Partial Taking award allotted to the Taken Units shall be paid to the Owners of the Taken Units, provided, however, that such proceeds shall first be applied to the balance then due on any Mortgages of record in order of priority before the distribution of any such proceeds to any Owner whose Condominium is subject to any such Mortgage. First Mortgagees of Record with respect to the Remaining Units affected by
such Partial Taking shall be entitled to severance damages payable out of the award proceeds held by the Board of Directors to the extent that such Mortgagees can prove that their security has been impaired by such taking. The balance of the net proceeds shall then be applied to the repair, restoration and replacement of the Common Property and the Remaining Units (but not Owners' personal property nor those portions of the Units which the Owners are obligated to restore) to as nearly their condition prior to the taking as may be feasible, in the same manner and under the same provisions applicable to the proceeds of insurance as set forth in Section 9.1 hereof, except for any provisions relating to Owners' personal property. Any funds held for restoration by the Board of Directors following completion thereof shall be disposed of, in each case in the same manner as provided in Section 9.2, except that the total amount of the award payable to any Member and his mortgagee or mortgagees for a destroyed Unit or Units shall not exceed the value of said Member's Condominium interest.

If the funds held for restoration by the Board of Directors are less than the cost of restoration and repair, a Reconstruction Assessment of the Owners of the Remaining Units (determined with reference to the relative square foot floor areas of the Remaining Units, as restored) may be levied by the Board of Directors to provide the necessary additional funds for such reconstruction. In no event shall the Board of Directors be required to undertake any repair or restoration work or make any payments with respect to any Unit in excess of that portion of the awards reasonably attributable to the loss to that Unit. Following any Partial Taking, the Association and the Project shall continue, subject to and with the benefit of all the provisions of this Declaration, so far as applicable to the Remaining Units, and the voting interests of the Owners shall be the same.

(c) In the event of a Special Partial Taking or a temporary taking of any Condominium, the Owner of the Condominium taken, together with his mortgagees, shall have exclusive rights to prosecute the proceedings for the respective taking awards and to retain the proceeds thereof. In the event of a temporary taking of Common Area, the Board of Directors shall have exclusive rights to prosecute the proceedings for the respective taking
awards and shall apply the proceeds thereof to reduce Common Expenses.

10.3. Owners Awards.
Where all or part of the Project is taken by eminent domain, each Owner shall have the exclusive right to claim all of the award made for such Owners' personal property, and any relocation, moving expense, or other allowance of a similar nature designed to facilitate relocation. Notwithstanding the foregoing provisions, however, or the provisions of Sections 10.1 and 10.2, the Board of Directors, except in the case of a Special Partial Taking, shall represent each Owner in an action to recover all awards with respect to such portion, if any, of an Owners' personal property which is at the time of any taking, as a matter of law, part of the real estate comprising any Unit, and shall allocate to such Owner so much of any awards as is allotted in the taking proceedings or, failing such allotment, allotted by the Board of Directors to such Owner's personal property. The amount so allocated shall be paid to the Owner entitled thereto, whether or not the Unit in which such Owner's personal property was located is to be restored by the Board of Directors; provided, however, that such proceeds shall first be applied to the balance then due on any Mortgages of record encumbering such Owner's Condominium, in order of priority. Notwithstanding restoration of the Unit, the Board of Directors shall have no responsibility for restoration of such Owner's personal property.

10.4. Relinquishment of Interest in Common Area.
Each Owner of a Taken Unit, by his acceptance of the award allotted to him in a taking proceeding or by the Board as a result of a Partial Taking (other than a Special Partial Taking), hereby relinquishes to the other Owners in the Project, on the basis of their relative ownership of the Common Area therein, such Owner's undivided interest in the Common Area and that portion, if any, of such Owner's Unit which was not taken by the condemning authority. Each Owner of a Taken Unit shall not be liable for assessments under this Declaration which accrue on or after the date of acceptance by such Owner of the portion of the condemnation award allotted to him. Each Owner relinquishing his interest in the Common Area pursuant to this Section shall, at the request of the Board and at the expense of the Association, execute and acknowledge such deeds and other instruments which the Board deems necessary or convenient to evidence such relinquishment.

10.5. Notice to Owners and Listed Mortgagees.
The Board of Directors, immediately upon having knowledge of any taking by eminent domain affecting a material portion of the Common Property, or any threat thereof, shall promptly
notify all Owners and those Beneficiaries, insurers and guarantors of Mortgages on Condominiums in the Project who have filed a written request for such notice with the Board. The Board, immediately upon having knowledge of any taking by eminent domain affecting a Unit, or any threat thereof, shall promptly notify any Beneficiary, insurer or guarantor of a Mortgage encumbering such Unit who has filed a written request for such notice with the Board.

ARTICLE XI

Notwithstanding any other provisions of this Declaration, no amendment or violation of this Declaration shall operate to defeat or render invalid the rights of the Beneficiary under any Deed of Trust upon a Condominium made in good faith and for value, provided that after the foreclosure of any such Deed of Trust such Condominium shall remain subject to this Declaration, as amended. For purposes of any provision of this Declaration or the other Restrictions which require the vote or approval of a specified percentage of first Mortgagees, such vote or approval shall be determined based upon one (1) vote for each Condominium encumbered by each such first Mortgage. In order to induce FHLMC, GNMA and FNMA to participate in the financing of the sale of Condominiums within the Project, the following provisions are added hereto (and to the extent these added provisions, pertaining to the rights of Mortgagees, FHLMC, FNMA and GNMA, conflict with any other provisions of this Declaration or any other of the Restrictions, these added restrictions shall control):

(a) Each Beneficiary, insurer and guarantor of a first Mortgage encumbering any Condominium, upon filing a written request for notification with the Board, is entitled to written notification from the Association of any default by the Mortgagor of such Condominium in the performance of such Mortgagor’s obligations under the Restrictions which default is not cured within thirty (30) days after the Association learns of such default. For purposes of this Declaration, “first Mortgage” shall mean a Mortgage with first priority over other Mortgages or Deeds of Trust on a Condominium, and “first Mortgagee” shall mean the Beneficiary of a first Mortgage.

(b) Every Owner, including every first Mortgagee of a Mortgage encumbering any Condominium, who obtains title to such Condominium pursuant to the remedies provided in such Mortgage, or pursuant to a foreclosure of the Mortgage, or by deed (or assignment) in lieu of foreclosure, shall
be exempt from any "right of first refusal" created or purported to be created by the Restrictions.

(c) Each first Mortgagee of a Mortgage encumbering any Condominium, which obtains title to such Condominium, pursuant to judicial foreclosure or the powers provided in such Mortgage, shall take title to such Condominium free and clear of any claims for unpaid assessments or charges against such Condominium which accrued prior to the time such Mortgagee acquires title to such Condominium in accordance with Section 5.10.

(d) Unless at least sixty-seven percent (67%) of the first Mortgagees or sixty-seven percent (67%) of the Owners have given their prior written approval, neither the Association nor the Owners shall:

1. by act or omission seek to abandon or terminate the Property; or

2. change the pro rata interest or obligations of any Condominium in order to levy assessments or charges, allocate distributions of hazard insurance proceeds or condemnation awards or determine the pro rata share of ownership of each Condominium in the Common Area; or

3. partition or subdivide any Condominium Unit; or

4. by act or omission, seek to abandon, partition, subdivide, encumber, sell or transfer the Common Property. (The granting of easements for public utilities or for other purposes consistent with the intended use of the Common Property under this Declaration shall not be deemed a transfer within the meaning of this clause); or

5. by act or omission change, waive or abandon any scheme of regulations, or enforcement thereof, pertaining to the architectural design, the exterior appearance or the maintenance of the Units or the Common Property; or
(6) fail to maintain or cause to be maintained Fire and Extended Coverage on insurable Common Area as provided in Article VIII of this Declaration; or

(7) use hazard insurance proceeds for losses to any condominium property (i.e., Improvements to the Units or Common Property) for other than the repair, replacement or reconstruction of such condominium property, subject to the provisions of Article IX of this Declaration; or

(8) change the method of determining the obligations, assessments, dues or other charges which may be levied against any Owner.

(e) All Beneficiaries, insurers and guarantors of first Mortgages, upon written request, shall have the right to (1) examine the books and records of the Association during normal business hours, (2) require from the Association the submission of an annual audited financial statement (without expense to the Beneficiary, insurer or guarantor requesting such statement) and other financial data, (3) receive written notice of all meetings of the Owners, and (4) designate in writing a representative to attend all such meetings.

(f) All Beneficiaries, insurers and guarantors of first Mortgages, upon written request, shall be given thirty (30) days' written notice prior to the effective date of (1) any proposed, material amendment to the Restrictions or Condominium Plans; (2) any termination of an agreement for professional management of the Property following any decision of the Owners to assume self-management of the Project; and (3) any proposed termination of the Property as a condominium project.

(g) The Reserve Fund described in Article V of this Declaration must be funded by regular scheduled monthly, quarterly, or semiannual payments rather than by large special assessments.

(h) The Board shall secure and cause to be maintained in force at all times a fidelity bond for any Person handling funds of the Association, including, but not limited to, employees of the professional Manager.

-48-
(i) In addition to the foregoing, the Board may enter into such contracts or agreements on behalf of the Association as are required in order to satisfy the guidelines of the FHLMC, FNMA or GNMA or any similar entity, so as to allow for the purchase, guaranty or insurance, as the case may be, by such entities of first Mortgages encumbering Condominiums. Each Owner hereby agrees that it will benefit the Association and the membership of the Association, as a class of potential Mortgage borrowers and potential sellers of their residential Condominiums, if such agencies approve the Property as a qualifying subdivision under their respective policies, rules and regulations, as adopted from time to time. Mortgagors are hereby authorized to furnish information to the Board concerning the status of any Mortgage encumbering a Condominium.

(j) Each Owner hereby authorizes the first Mortgagor of a first Mortgage on his Condominium to furnish information to the Board concerning the status of such first Mortgage and the loan which it secures.

(k) When professional management has been previously required by a Beneficiary, insurer or guarantor of a first Mortgage, any decision to establish self-management by the Association shall require the approval of sixty-seven percent (67%) of the voting power of the Association and the Beneficiaries of fifty-one percent (51%) of the first Mortgages of Condominiums in the Project.

(l) First Mortgagors may, jointly or singly, pay taxes or other charges which are in default and which may or have become a charge against any Common Property and may pay any overdue premiums on hazard insurance policies, or secure new hazard insurance coverage on the lapse of a policy, for Common Property, and First Mortgagors making such payments shall be owed immediate reimbursement therefor from the Association.

ARTICLE XII

12. Duration and Amendment.

12.1. Duration.

This Declaration shall continue in full force for a term of fifty (50) years from the date of Recordation hereof, after which time the same shall be automatically extended for suc-
cessive periods of ten (10) years, unless a Declaration of Termination is Recorded, satisfying the requirements of an amendment to this Declaration as set forth in Section 12.2. There shall be no severance by sale, conveyance, encumbrance or hypothecation of an interest in any Unit from the concomitant Membership in the Association, as long as this Declaration shall continue in full force and effect. The provisions of this Article are subject to the provisions of Sections 9.2 and 10.2 of this Declaration.

12.2. Amendment.
Notice of the subject matter of a proposed amendment to this Declaration in reasonably detailed form shall be included in the notice of any meeting or election of the Association at which a proposed amendment is to be considered. The resolution shall be adopted by the vote, in person or by proxy, or written consent of Members representing not less than sixty-seven percent (67%) of the voting power of the Association, provided that the specified percentage of the voting power of the Association necessary to amend a specified Section or provision of this Declaration shall not be less than the percentage of affirmative votes prescribed for action to be taken under that Section or provision. Notwithstanding the foregoing, termination of this Declaration and any of the following amendments, to be effective, must be approved in writing by the Beneficiaries of seventy-five percent (75%) of the first Mortgages on all of the Condominiums in the Project at the time of such amendment:

(a) Any amendment which affects or purports to affect the validity or priority of encumbrances or the rights or protection granted to Beneficiaries, insurers or guarantors of first Mortgages as provided in Articles V, VIII, IX, X, XI and XII hereof.

(b) Any amendment which would necessitate an encumbrancer after it has acquired a Condominium through foreclosure to pay more than its proportionate share of any unpaid assessment or assessments accruing after such foreclosure.

(c) Any amendment which would or could result in an encumbrance being cancelled by forfeiture, or in a Condominium not being separately assessed for tax purposes.

(d) Any amendment relating to the insurance provisions as set out in Article VIII hereof, or to the application of insurance proceeds as set out in Article IX hereof, or to the disposition of any money received in any taking under condemnation proceedings.
(e) Any amendment which would or could result in termination or abandonment of the Property or partition or subdivision of a Condominium Unit, in any manner inconsistent with the provisions of this Declaration.

(f) Any amendment which would subject any Owner to a right of first refusal or other such restriction, if such Condominium is proposed to be sold, transferred or otherwise conveyed.

(g) Any amendment concerning:

(1) Voting rights;

(2) Rights to use the Common Property;

(3) Reserves and responsibility for maintenance, repair and replacement of the Common Property;

(4) Boundaries of any Unit;

(5) Owners' interests in the Common Area;

(6) Convertibility of Common Area into Units or Units into Common Area;

(7) Leasing of Units;

(8) Establishment of self-management by the Association where professional management has been required by any Beneficiary, insurer or guarantor of a first Mortgage;

(9) Assessments, assessment liens, or the subordination of such liens.

Notwithstanding the foregoing, if a first Mortgagee who receives a written request from the Board to approve a proposed amendment or amendments to the Declaration does not deliver a negative response to the Board within thirty (30) days of the mailing of such request by the Board, such first Mortgagee shall be deemed to have approved the proposed amendment or amendments.

A copy of each amendment shall be certified by at least two (2) officers of the Association, and the amendment shall be effective when a Certificate of Amendment is Recorded.
The certificate, signed and sworn to by two (2) officers of the Association that the requisite number of Owners and Mortgagees have either voted for or consented in writing to any amendment adopted as provided above, when Recorded, shall be conclusive evidence of that fact. The Association shall maintain in its files the record of all such votes or written consents for a period of at least four (4) years.

ARTICLE XIII

Failure to comply with any of the terms of the Restrictions by an Owner, his family, guests, employees, invitees or tenants, shall be grounds for relief which may include, without limitation, an action to recover sums due for damages, injunctive relief, foreclosure of any lien, or any combination thereof. Failure to enforce any provision hereof shall not constitute a waiver of the right to enforce that provision, or any other provision hereof. The Board or any Owner (not at the time in default hereunder) shall be entitled to bring an action for damages against any defaulting Owner, and in addition may enjoin any violation of this Declaration. Any judgment rendered in any action or proceeding pursuant to this Declaration shall include a sum for attorneys' fees in such amount as the Court may deem reasonable, in favor of the prevailing party, as well as the amount of any delinquent payment, interest thereon, costs of collection and court costs. Each remedy provided for in this Declaration shall be cumulative and not exclusive or exhaustive.

13.2. Violation of Restrictions.
Without in any way limiting the generality of the foregoing, if the Board of Directors determines that there is a violation of any provision of this Declaration, then the Board shall give written notice to the Owner of the condition or violation complained of. The Board, after Notice and Hearing, may undertake to remedy such condition or violation complained of, and the cost thereof shall be charged to the Owner and his Condominium whose Residence is the subject matter of the corrective work. Such cost shall be deemed to be a Special Assessment to such Owner and shall be subject to enforcement and collection by the Board in accordance with the procedures provided for in this Declaration.

13.3. Severability.
The provisions hereof shall be deemed independent and severable, and a determination of invalidity or partial invalidity or unenforceability of any one provision or portion hereof by a court of competent jurisdiction shall not affect the validity or enforceability of any other provision hereof.

13.4. Interpretation.
The provisions of this Declaration shall be liberally construed to effectuate its purpose of creating a uniform plan for the creation and operation of a residential condominium development and for the maintenance of Common Property, and any violation of this Declaration shall be deemed to be a nuisance. The Article and Section headings, titles and captions have been inserted for convenience only, and shall not be considered or referred to in resolving questions of interpretation or construction. As used herein, the singular shall include the plural and the masculine, feminine and neuter shall each include the other, unless the context dictates otherwise.

13.5. Mergers or Consolidations.
Upon a merger or consolidation of the Association with another association, its properties, rights and obligations may, by operation of law, be transferred to another surviving or consolidated association or, alternatively, the properties, rights and obligations of another association may, by operation of law, be added to the properties, rights and obligations of the Association as a surviving corporation pursuant to a merger. The surviving or consolidated association may administer and enforce the covenants, conditions and restrictions established by this Declaration governing the Property, together with the covenants and restrictions established upon any other property, as one plan.

13.6. Use of Facilities.
The Board of Directors shall have the right to limit the number of guests that an Owner may permit to use the facilities on the Common Property, and the Board shall have the right to set further reasonable restrictions on the time and manner of use of facilities, in accordance with the Rules and Regulations.

13.7. No Public Right or Dedication.
Nothing contained in this Declaration shall be deemed to be a gift or dedication of all or any part of the Property to the public, or for any public use.

13.8. No Representations or Warranties.
No representations or warranties of any kind, express or implied, have been given or made by Declarant, or its agents or employees in connection with the Property, or any portion thereof, its physical condition, zoning, compliance with applicable laws, fitness for intended use, or in connection with the subdivision, sale, operation, maintenance, cost of maintenance, taxes or regulation thereof as a Condominium Project, except as specifically and expressly set forth in this Declaration and except as may be filed by Declarant from time to time with the DRE.
Except as specifically provided in the Restrictions or as
required by law, no right, power, or responsibility conferred
on the Board or the Architectural Committee by this Declara-
tion, the Articles or the Bylaws shall be construed as a
duty, obligation or disability charged upon the Board, the
Architectural Committee, any member of the Board or of the
Architectural Committee, or any other officer, employee or
agent of the Association. No such Person shall be liable to
any party (other than the Association or a party claiming in
the name of the Association) for injuries or damage resulting
from such Person's acts or omissions within what such Person
reasonably believed to be the scope of his Association duties
("Official Acts"), except to the extent that such injuries or
damage result from such Person's willful or malicious mis-
conduct. No such Person shall be liable to the Association
(or to any party claiming in the name of the Association) for
injuries or damage resulting from such Person's Official
Acts, except to the extent that such injuries or damage
result from such Person's negligence or willful or malicious
misconduct.

The Association shall pay all expenses incurred by, and
satisfy any judgment or fine levied against, any person as a
result of any action or threatened action against such Person
to impose liability on such Person for his Official Acts,
provided that:

(1) The Board determines that such
Person acted in good faith and in a man-
ner such Person reasonably believed to be
in the best interests of the Association;

(2) In the case of a criminal
proceeding, the Board determines that
such Person had no reasonable cause to
believe his conduct was unlawful; and

(3) In the case of an action or
threatened action by or in the right of
the Association, the Board determines
that such Person acted with such care,
including reasonable inquiry, as an
ordinarily prudent person in a like posi-
tion would use under similar
circumstances.

Any determination of the Board required under this Sec-
tion 13.9 must be approved by a majority vote of a quorum
consisting of Directors who are not parties to the action or
threatened action giving rise to the indemnification. If the
Board fails or refuses to make any such determination, such
